

PLANS Offers

A PLANS Coordinator assists each person to develop a plan to access a broad range of supports and services within the local community.

PLANS offers a limited pool of funds to be used for supports and services chosen and directed by each person.

Supports and Services include, but are not limited to the following:

Service Coordination

- Community Resources and Services

Companion Care

- Recreation & Leisure Opportunities
- Community Living Skills
- Independent Living Skills

Personal Care Services & Supplies

Adaptive Equipment

Respite Care

Employment Supports

PLANS is supporting people with developmental disabilities to live and work in the community of their choice

Mission Statement

Empowering people to achieve their dreams through choice of services and supports.

PLANS

Flexibility	Inclusion
Self-Advocacy	Self-Determination
Choice	Cultural Sensitivity
Independence	Satisfaction

Eligibility for PLANS

The person must have a developmental disability.

The person must be 18 years of age or older.

The person must live independently in his/her community or in a family member's home.

The person must meet financial guidelines.

Goals for PLANS

To support each person to make decisions.

To support each person's choices to live and work in their community.

To assist each person to explore available community resources and services.

PLANS is...

supporting people with developmental disabilities guided by a philosophy of self-determination.

assisting people to organize resources in ways that are life-enhancing and meaningful.

assisting each person and their chosen circle of support to develop a plan for accessing supports and services in their local community.

realizing the vision of person-directed supports and services.
